

## BCTTNS PAST PRESIDENT JOB DESCRIPTION

### **Past President**

The position of the Past President is assumed, for a two year period, by the previous Chairperson at the end of his/her tenure, in order to provide continuity between newly elected Board and to provide history and support to the President at the policy and practice levels.

The Past President:

- acts as a resource to the President and other Board members around Society policy and practice, Board Terms of Reference and provides historical context to the goals and objectives and directions taken by the Society.
- acts as a back up to the President in terms of taking on delegated duties, if no Member-at-Large is available to do so.
- facilitates and monitors the election of officers at Annual Networking Meetings.
- has equal decision-making capacity to other members of the Board.
- will agree to take on special projects as required, on behalf of the Society, according to his/her capacity, e.g. development of TT Policy Statements, etc.
