

## **Policy for Charging for Therapeutic Touch® Services**

In order for a member to charge for Therapeutic Touch® services, you must be a current BCTTNS member in good standing and have completed Foundations of Therapeutic Touch, Transpersonal Nature of Therapeutic Touch, Application of the Inner Processes of Therapeutic Touch (or the former Level 1, 2 and 3). You must advise your client in advance of any fees that you charge for your services.

Members who have not completed Inner Processes of Therapeutic Touch (or Level 3) may submit documentation in writing to the Education Coordinator to determine whether that member has met the relevant experience, education, training, and competence in order to be able to charge for Therapeutic Touch services.
