BCTTNS Scholarship Applications Guidelines

1. Must be a member for a minimum of 1 year

2. Scholarships can be awarded for attendance at Therapeutic Touch® (TT) conferences, retreats and workshops (excluding TT curriculum courses).

3. The scholarship recipient is required to submit a report to the Board about his/her experience at the course. This report may be printed, in whole or in part in the Shifts in Energy Newsletter.

4. The application for scholarship must be in writing (application form is available on website) and presented to the Board at least 30 days prior to the workshop or conference. The application will demonstrate how the course will benefit your TT practice and BCTTNS.

5. The Board will award scholarships at its discretion.

6. Scholarships will be awarded on an annual basis. Priority will be given to first time applicants.

7. Scholarships will be awarded a maximum of one time per five-year period, per applicant.

8. The recipients and applicants will be advised of the Board's decision via email.

9. Considerations include relativity to TT practice, benefits to BCTTNS, travel, financial support, or other.

10. A decision is made to award five - $100.00 scholarships each year. This can be reviewed annually depending on budget considerations.

11. An additional $1000.00 is budgeted for (1-2) executive members to attend Canadian Network or International Network conferences (e.g.: TTNO, TTIA). This member/s will represent BCTTNS and report back on the activities at the conference. This member/s will attend any Canadian network meetings at the conference.
